The best answers are sent by users of Hulu.com, Yahoo! Answers and responseBag.com. Other parts of the world, ranging from the United States to China, have also seen Zander introduced to their lakes and rivers. Zapiekankathis hot face-to-face face in face is made with sliced baguettes with semi-hard cheese grated and any Number of other ingredients, a bit similar to pizza. The original sandwich arrived with jumped mushrooms and chessee, but now you can take them with meat, olives, pineapple and more. The famous city rulers, the family of doctors, presumably invented food to impress the dignitaries visiting. While you can get a Zapiekanka in most parts of Poland, the sandwich has been done for the first time in Krakow, where a folk form of fast food from street vendors remains and zitonizia is another food that begins With the letter z that you may have been able to guess, even if your slightly broader cousin, zitoni, is less known in the United States. Then the grill under a broiler chicken. Photo of courtesy: MySlnik / Wikimedia Commons The sandwich was created for the first time in communist Poland in the 1970s to deal with food shortages.
